Dear Sir:

On the basis of the information submitted, we have determined that you are a religious or charitable institution and are exempt from paying sales or use tax on purchases of tangible personal property or related services for religious or charitable purposes only. This exemption is not to be used for the purchase of food, clothing or any other item for members of the institution. If you have any questions as to how this exemption applies, phone our Salt Lake City office.

When making such purchases, you may furnish the vendor with an exemption certificate, showing your clearance number. A sample exemption certificate is enclosed. You may reproduce it according to your needs.

In order for this department to maintain current records on religious or charitable institutions, we may at some future date, ask for additional or updated information. We wish to also remind you that your records are subject to audit by a representative of the Tax Commission if it is necessary to verify the proper use of this exemption.

We hereby issue you Institutional Clearance Number IC-4583, which is valid until revoked in writing.

Sincerely yours,

Dolores Furniss
